Molecular Biology Chemicals & Research Solutions

MOLECULAR BIOLOGY CHEMICALS

PRODUCT CODE	PRODUCT DESCRIPTION	MRP (₹)	PRICE (₹)
RK20600	TAQ DNA POLYMERASE (MG2+ PLUS BUFFER) 1000U (5000U/ML)	3550	1800
RK20729	POWERPOL 2X PCR MIX WITH DYE V2-5ML	5289	2500
RK20120	DNTPS (10MM EACH), 1ML	4550	2500
RK30193	100 BP DNA LADDER, 500UL	3250	2000
RM30590	1KB DNA LADDER, 500UL	4000	2000
RK30151	6X DNA/RNA LOADING BUFFER - (1ML x 10)	4200	2500
RM02852	AGAROSE 100GM	8120	4500
RM02949	COLORMIXED PROTEIN MARKER - 500UL (2 COLOUR) 10-250 KDA	14250	7500
RM02949P	COLORMIXED PROTEIN MARKER - 500UL (3 COLOUR) 10-250 KDA	16250	8000
RM19001	COLORMIXED PROTEIN MARKER 180 - 500UL (3 COLOUR) 180 KDA	12740	7000
RK21500	T4 DNA LIGASE (HIGH CONC.) - 80000U	19320	11000
RP02503	PROTEINASE K (HIGH CONC.) - 100MG	9800	5700
RK20400	ABSCRIPT II CDNA FIRST-STRAND SYNTHESIS KIT, 100 RXN	15450	8500
RK21204	GENIOUS 2X SYBR GREEN FAST QPCR MIX, 500RXN, 5ML	13260	7000
RM02867	ECL SUPER KIT - 100ML	16940	11000

Why Choose?

MTOR Lifesciences is committed to delivering high-quality products, technical expertise and reliable support to accelerate research and innovation.

Quality You Can Trust

Premium grade raw materials and stringent quality control.

Wide Product Range

Comprehensive portfolio for every step of search.

Technical Expertise

Experienced team providing reliable tech application support.

Reliable & Timely Delivery

Efficient logistics network ensuring on-time delivery across India.

Customer First Approach

Dedicated support to build long-term partnerships and customer satisfaction.

Our Product Portfolio

PCR & RT-PCR Reagents & Kits

Electrophoresis Solutions

DNA / RNA Extraction

Cell Culture Reagents

Antibodies & ELISA Kits

Lab Instruments & Equipment

Plasticware & Consumables

Buffers, Media & Biochemicals

From sample to result - MTOR has the solution you need

Applications Across Industries

Biotechnology

Advanced research and biotechnology applications.

Hospitals & Diagnostics

Molecular diagnostics and clinical testing solutions.

Pharmaceutical

Drug discovery, development and quality control.

Academic & Research Institutes

Empowering education and cutting-edge research.

Food & Beverage

Ensuring safety and quality through advanced testing.

Molecular Biology

Essential solutions for everyday laboratory needs.

SUPPORT YOU CAN RELY ON

Product Selection Assistance

Helping you choose the right product for your research needs.

Training & Workshops

Hands-on training and workshops for better research outcomes.

Application Support

Expert guidance for applications and troubleshooting.

After Sales Support

Dedicated team for prompt and reliable support.

About MTOR Lifesciences

MTOR Lifesciences Pvt. Ltd. is a leading life sciences company dedicated to providing high-quality products and solutions to the scientific community. Our mission is to empower research and innovation by delivering reliable products, technical expertise and exceptional service.
